

Salient Features of Solar Phase-II – GoG Scheme Launched 08/08/2019

- A) **Government of Gujarat** declared subsidy for @ 2, 00,000 private residents (customers) having target of 600 MW RTSPV system for the year 2019-20.
- B) **Subsidy :**
- 40% for capacity up to 3 KWp
 - 20% for capacity beyond 3 KWp and up to 10 KWp
 - Subsidy will also be given for extension of solar load.
-For solar load extension: Subsidy will be given for differential capacity of solar panels at the same rate as above.
 - 20% subsidy for residential common services.
- C) **Nodal Agency:** GUVNL will be the Nodal Agency for implementation of this scheme.
- D) Empanelment of agencies done for design, Supply, Installation, testing and commissioning of Grid connected Rooftop Solar Photovoltaic Systems in Residential Premises, including five years comprehensive maintenance in the state of Gujarat during the year -2019-20 and finalisation of per KW solar panels.
- E) The list of Empanelled agencies is published on TPL portal <http://connect.torrentpower.com> as well as on all other DISCOM's portal.
- F) Solar project capacity wise, the rate per KW of solar panels is also displayed on portal.
- G) **Eligible Beneficiary:** He /She should be a registered customer and should be the owner of the premise as well as owner of the Terrace/ground also.
- H) **Customer** will have to pay an amount for solar panels after deduction of subsidy amount to Empanelled Agency.
- I) The PV modules and Solar Cell used should be **made in India**.
- J) Empanelled Agency must pay the solar estimate on behalf of the customer.
- K) Criteria of the solar panels and their specifications are given in the tender. Cost of any other work or any additional work over and above involved in the tender would bear by the customer.
- L) Installation of **Lightning Arrester** is compulsory
- M) 3 nos. of different **earthing**s to be provided for DC side, AC side of solar panels and for Lighting Arrester separately
- N) Certificate from **Structural Engineer** is mandatory
- O) Net export units will be purchased by DSCOM at **Rs.2.25 per unit**.
